Prayers: Holidays—for all those taking a break away at the moment, including Raymond & Alison.

End of Term: for all teaching and admin staff to be refreshed by their summer break. For children and students spending time with their families over the summer.

Pandemic: for safety as restrictions are lifted.

India: remember the Church in India which is facing strong persecution and has lost over 2,00 pastors.

Thank you to all those from our church family who sponsored me for the Samarathon.

I am pleased to say I completed it today!! Hasten to add I did not run, rather power walked my way through.

Managing to raise over £500. Thank you once again.
