Great Response to Harvest

Huge thanks to everyone for the hundreds of tins contributed at Harvest. This food is going to be needed more than ever. So please keep contributing to the Food Collective as you shop.

We will continue to support the Filling Station, especially as the weather gets colder. Life for some people will become ever harder this winter.

Hong Kong Welcome Course No 2

After the success of our first Hong Kong Welcome Course, we have just launched a second one. It began last Monday.

The team which ran *Welcome Course No 1* has been joined by other church members, some inspired by Gabriel Wong's video, shown in church the day that Bishop Viv was here. We really appreciate everything Charmain and the team are doing.

Sad News

We have just heard that Julie Jarman's mum Angela has passed away. We send Julie our love and deep sympathy and remember her father as he comes to terms with this great loss.

Light Party Invitations

Last Sunday we gave out invitations to the Light Party to help you to invite adults and children to this family affair. Pick them up in church!

Hallowe'en is not Christmas. At Christmas everyone comes naturally to church. The *Light Party* is an alternative to the normal round of parties focusing on ghouls, ghosts and things that go bump in the night

WORLD CUP 2022

The 2022 World Cup will be held in Qatar in the weeks running up to Christmas. This year, things are different.

Seven countries involved in the competition – including Qatar itself – are in the *World Watch List 50 countries* in which it is most dangerous to be a Christian. The tournament offers an opportunity to raise awareness and pray for Christians living where faith costs most. Here are two resources

[Tackle Persecution World Cup 2022 Prayer Diary](#)

Every day of the group stages features a nation from the *World Watch List*. For each day of the first two weeks of the tournament, you will find inspirational stories and prayer points to help you support Christians in Iran, Saudi Arabia and Mexico. Will you pray when they play?

[Tackle Persecution Worldwide 2022 Sticker Album](#)

Who doesn't love a footie sticker album? Open doors has created a sticker album focusing on the countries where persecution needs to be tackled. It's great for children, families and even adults.

These resources will be available to order soon from opendoorsuk.org. Get them—share them—with your Christian friends and family.
