Please Pray

For our pastoral care team and the people they care for. We pray that the right people will come forward to join the team and help with this important work.

For Mercy Ships and their mission to bring free health care to the world's poorest nations.

Pam Fletcher is grateful for the prayers and cards she has received after her hip operation. Recovery is slow, though, so please keep her in your prayers.

Sunday 11th June Trinity 1

Have you lost a bracelet?

On Thursday last week a Pandora-type bracelet was found in the church car park. If this belongs to you, or to someone you know, please contact the Parish Office with a description of it and we can get you both reunited. Thank you.

Prayer Meeting - next week

Don't forget, our next prayer meeting is next Wednesday (14th June) at 7.30pm in the Quiet Room. We will pray for St John's and the needs of the wider world.

Cottage Pies

On 19th June we would like to provide a meal from St John's congregation for the Hong Kongers.

We now have enough Cottage Pies! Thank you to everyone who is going to make one.

What we need now are another two people who could be in the kitchen to receive and heat up the pies. If you could do this from about 11.15am on

19th June, please let Carol Hall know. Her phone number is available via the Members List. Thank you.

Pastoral Care Team

We are extending our St Johns pastoral care team, offering emotional, social, and spiritual support to those in need. As a Christian community, we are held together in the love of Christ. Sometimes, though, we all need a little extra help to live well together within the diversity of our church community and also in the wider communities in which we live.

If you feel that pastoral care is something you could be interested in and called to do, please contact Ali Wiltshire on 07403 216682 alison@fiscalservices.co.uk

Request from our Church Wardens

Sharon and Ali, our churchwardens, have spent time cleaning out the fridge, and have thrown away mouldy coleslaw, out of date rocket and pork pies well past their sell-by date.

Can we kindly ask you not to leave any food in the church fridge unless it is clearly marked with your name and the date. Anything without a name, or out of date will be thrown away.

Thank you for helping to keep our fridge clean and hygienic.

Mercy Ships

Mercy Ships is a charity that brings hope and healing to some of the poorest nations in the world. Their ships are floating, state of the art

hospitals, providing free medical treatment for patients, and training for medical professionals in the countries they serve. The ships are run, almost entirely, by volunteers.

Mercy Ships are one of the organisations that St Johns supports through its mission giving. Next

Sunday (18th June), we are privileged to have an official speaker from Mercy Ships (our very own Bill Hunt) preaching at our services. Don't miss this opportunity to hear about the great work Mercy Ships do!
