## Sound Desk and Multimedia

We urgently need volunteers to join the teams running the sound desk at 9am services and the multimedia at both 9am and 11am services. Full training is provided.

Currently, we have services over the summer months where there will be no sound and/or no multimedia without extra people in these important teams.

*Could you help?*

## Cottage Pie!

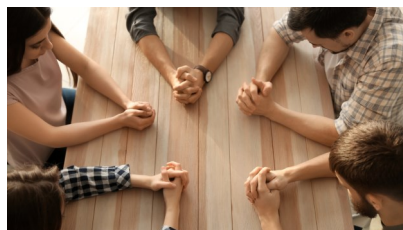

On 19th June we would like to provide a meal from St John's congregation for the Hong Kongers. We are making an early request for donations of Cottage Pie. If you are able to contribute a Cottage Pie, or if you would like to share the cost with someone you know while

you do the cooking, then please let Carol Hall know as soon as possible. Carol's phone number is available via the Members List. Thank you!

## Next Prayer Meeting

Our next prayer meeting is on 14th June at 7:30pm in the Quiet Room. We will pray for St John's and the needs of the wider world. It is important that we are praying during the vacancy for our church life to be sustained and for the process of appointing our new vicar. We can do this on our own at home, but it is also good to meet together for prayer.
