Please Pray

With the sad news of more migrant deaths at sea this week, we pray for a compassionate, generous, global solution to be found for this ongoing issue.

For our outdoor service this weekend, that we will be an effective witness to the local residents of Haydon Wick.

For The Well Church as they prepare to move to a new home in Abbey Meads.

Monthly Prayer Meeting

Our prayer meeting for August will be held next week on Wednesday 16th August at 7.30pm in the church Quiet Room. Please come along if you can. Lifts are available through the lift-sharing scheme if transport is a problem.

Tea and Coffee

With more and more people staying on to chat after the 11am service each week, we would like to start offering tea/coffee every week. If you could help with this, please add your name to the list in the foyer or speak to Sharon / Ali after the service.

Rain or shine, Ice Cream Sunday is ON this weekend!

We are praying for sunshine, but if the weather turns out to be particularly "typical British summer ☁️" this weekend, we'll move indoors where we can continue to enjoy worship together and have some lovely ice cream afterwards!

WHCT Ride & Stride 2023

This year's Ride & Stride, in aid of Wiltshire's Historic Churches Trust, is taking place on 9th September. On the day, we'll need a team of people to be in St John's to welcome participants and stamp their sponsorship forms.

Is this something you could help with? If you can help - or for more information - please contact the Parish Office.

Thank you.

The Well - update

The Well Church, who currently meet in St Francis Primary School on Sundays, have a new home. The Diocese of Bristol have bought the Christ the Servant Church building in Abbey Meads (currently empty since the previous church closed) to lease to The Well as a permanent base for them.

This is great news not only for our partners in the gospel at The Well, but also for North Swindon as it keeps the building and its space open for both worship and as a community asset.

Subject to all the usual legal processes, The Well hope to move in around the New Year.
