### Challengers Helper

Challengers - our Sunday School group for children aged 11-18 - is in need of an extra pair of hands to help in the group on Sunday mornings. The helpers take turns week by week on a rota basis and no previous experience is necessary.

For more information, please speak to Heather or another member of the Sunday School team. Thank you.

### Please Pray

For the vacancy candidate visits and interviews next week. We pray for the candidates themselves and for the interview panel, that both will be blessed with guidance and discernment so that the right new leader for our church can be identified.

For our Harvest Service, where we give thanks for all we have and share our provision with others.

For Tricia Roberts with her recent health news.

### Sound and Multimedia

We are short of people to operate the sound desk and multimedia at both the 9am and 11am services. If you are able to help with either of these vital roles, please contact the Parish Office. Full training will be provided. Thank you.
