Please Pray

For the UK elections taking place next Thursday.

We give thanks that we live in a democracy here in the UK and we have the chance to vote for the people who will lead us.

We pray for the electoral process itself, and we pray for the newly elected Prime Minister and MPs as they take up their roles in government.

Sunday 30th June Trinity 5

[Pray Your Part](#) is an invitation from the bishops of the Church of England to encourage prayer and participation in the life of our nation and communities, both as voters and as citizens.

This 21-day journey of prayer and reflection (from Friday, 14 June until Election Day on 4

July) is designed for use in the run-up to the UK General Election. Each day explores a different theme, with a short Bible reading, reflection and prayer for a different aspect of our common life.

If you have any you can donate, please bring them along to the Parish Office in a bag or envelope clearly marked "For Craft Club". Thank you.

Church Flowers

Rachel Hodkinson writes:

Church flowers are a beautiful way to worship our creator through his creation and bring that creation into the church.

For many years a number of ladies have done an amazing job bringing flowers into church and displaying them for us, but unfortunately over time that number has dwindled and we need some more helpers.

I would be really happy to hear from anyone of any age or gender who is interested in helping out.

The church provides the flowers, and you really don't need to be a "flower arranger", I would love to try out new ideas and ways of displaying the flowers in the future.

If you are interested or just want to know more please feel free to get in touch or have a chat after the 11 am service.
